Half Term!

27.10.23

The first half of the term has flown by! Thank you from very much for your welcome and your willingness to work together and contribute to the life of the school.

It has been wonderful to have time to get to know all the children, and you as families over the past few weeks.

We have had an extremely busy half term with visits, performances, competitions and sponsored walks - and all this while working hard in our classes! It's great to see everyone enthusiastic about work throughout the school - from building houses for the three little pigs, to writing like Matilda and building a kite like Danny.

The School Council and Eco Council have been hard at work over the last few weeks as well. The School Council has managed to hold a pumpkin carving competition, and the Eco Council has set up the School's first 'Swap Shop'.

We also had a very successful coffee morning, thank you very much to everyone who came along to support!

Remember that you can get the latest information about the school through our website, and our social platforms. Here are some important dates for the next half term! [Click here to see the full calendar, online.](#)
